

Forty-fifth Annual Tony Strycharz Golf Classic The Bureau for Exceptional Children & Adults at Jericho

This golf tournament is our major fundraiser every year and allows us to provide individualized support to families with disabilities to access religious, educational, and adult services, and to offer numerous special events that are designed to create a welcoming and comfortable experience for people with autism, sensory sensitivities, or other social, learning, or cognitive disabilities.

None of this would be possible without our community and individual partners who give so willingly so that we can provide these services and events to families at no cost or for a minimal fee. Please do not hesitate to contact us for additional information about Jericho and how your generous donation is used to help the families of Western Massachusetts.
